Brill online Books and Journals

Exchange is an international peer-reviewed journal in the field of missiology, ecumenism, world Christianity and interreligious relations.

This special issue of *Exchange* titled 'Development and Challenges in the Theology of Liberation' is the result of a collaboration between the Latin-American section of the Ecumenical Association of Third World Theologians (EATWOT, known in Latin America as ASSET) and the Nijmegen Institute of Mission Studies, which is part of the Faculty of Philosophy, Theology and Religious Studies of the Radboud University in Nijmegen, to facilitate the new theoretical contributions of the liberation theology to English-speaking academic researchers (Editorial of the issue, *Exchange* 44(2015)2).
